FAZED RavenMind

[Intro] Cm Eb Gm F (X4)

[Verse 1] Cm Eb Gm F
Breathe in, again
And when you breathe out
Just realize that there is no doubt
We have all been here before

[Verse 2] Cm Eb Gm F
Now, and so
With your back against the wall
Far beyond beck and call
Do you hear this song?

[Pre-Chorus] Cm Eb Gm F
(Oh) Nothing ever fazed me
This way before

(Oh) Nothing's ever fazed me
This way before

[Instrumental] Gm F C Eb (X2)

[Chorus] Gm F C Eb
(Oh) Nothing's ever fazed me
This way before

(Ooh, yeah) Nothing's ever fazed me
This way before

[Instrumental] Gm F C Eb (X2)

[Verse 3] Cm Eb Gm F
It's funny
I thought these thoughts were just my own
My young mind how could I have known
This surreptitious storm?

[Verse 4] Cm Eb Gm F
Oh, of course
We're all but just the same
Different bodies, different names
But we all feel the flame

[Pre-Chorus] Cm Eb Gm F
(Oh) Nothing ever fazed me
This way before

[Instrumental] Gm F C Eb

[Chorus] Gm F C Eb
(Oh) Nothing's ever fazed me
This way before

(Ooh, yeah) Nothing's ever fazed me
This way before

Break it down, now!

[Breakdown] Gm F (X4)

And it's like I've never been here before

And it's like I've never been here before

And it's like I've never been here before

And it's like I've never been here before

And it’s like I’ve never been here

Like I’ve never, never been here

Like I’ve never, never been here

One, two, three, four!
